Annual day

Seshadripuram Law college celebrated Annual Day SAMHITHA 2024 on 10/08/2024.

The Chief Guest expressed concern that the legal profession is becoming too commercialized, with advocates prioritizing profits and business interests over their ethical responsibilities and duty to serve the public. He emphasized the importance of advocates upholding their humanity and social responsibility, rather than viewing the profession solely through a commercial lens. The Chief Guest likely called on the students, who are aspiring lawyers, to prioritize ethical conduct, access to justice, and serving the broader community needs - not just personal financial gain. He advised the students to & quote; value humanity & quote; and fulfil their social responsibilities as advocates is an important message about maintaining the ethical integrity of the law. This aligns with the purpose of legal aid services to ensure access to justice for all.

The college annual report highlighted a range of activities, including seminars, workshops,

and guest lectures organized for students. Our students actively participated in various inter-college cultural competitions and moot court events. The highlight of the year was our college securing 1st place in sports at KSLU.

K. Krishnaswamy, Chairperson of the Governing Council of Seshadripuram Law College, extended his best wishes to the outgoing students for their future endeavours and encouraged them to remember the advice shared by the Chief Guest Mruthyunjaya Sir, Trustee, Advocate who was present, delivered the presidential address, during which he motivated the students and highlighted the role of advocates in the current era. Various students were recognized by the college for bringing laurels through their achievements. The program concluded with the national anthem

I extend my heartfelt thanks to our beloved principal teaching and non-teaching staff, Volunteers and Students for their continues support for these achievements and laurels.
